

REMARKS

The Communication of March 23, 2006, indicated that applicant was urged to rewrite the claim limitations of claim 2 into all the allowed claims. The issues in that Communication now appear to be moot as the Examiner has already amended all of the claims to include the limitations of dependent claim 3, which incorporates the limitations of dependent claim 2, by Examiner's amendment. Therefore, no further response is believed needed in reply to the Communication of March 23, 2006.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
